

The collapsible, reusable, environmentally-friendly box idea from Sun Sugar Farms!

Why buy a Convenience CRESBI Crate System? Many reasons!

- **SAVE THE EARTH**
One CRESBI crate can replace up to 5 plastic bags, depending on what you buy.
- **AVOID THE HASSLE OF RECYCLING PLASTIC BAGS**
One shopper in one year on average gets 500 plastic bags, no need to recycle now!
- **AVOID GERMS ON QUICK TRIPS**
You don't have to use the store's basket by bringing in your own CRESBI crate.
- **SAVE TIME AT THE CHECKOUT**
Open your crate when you walk in the store. Put your barcodes up on your products as you place them in the crate creating a grid. If it's a bigger store that has handheld scanners ask the checker to use that and scan them right in the crate.
- **SAVE YOUR PRODUCTS**
No more free range cans, bruised fruit, or crushed bread.
- **MULTI-PURPOSE, SAVES SPACE**
CRESBI crates can be used for picnics, potlucks, camping, etc then collapsed down.
- **THERMAL COOLER INSERT**
This custom- fit cooler insert for either the standard size or Colossal keeps foods hot or cold.
- **EASY TO CLEAN, DISHWASHER SAFE**
You can kill 99% of bacteria by washing them in very hot water.
- **BIGGER SYSTEMS AVAILABLE**
Love the CRESBI crate concept but want more? Go online to www.cresbi.com.
- **SUPPORT OUR ORGANIZATION!**
40% of the sale of the Convenience CRESBI crates go towards our organization, 20% of internet orders also do, just use our custom code.
